Alex,

I have coordinated with my Structural Consultant and we can be at your building to commence our work Friday morning.
He will arrive at 9AM. I can arrive earlier as is convenient with your schedule to meet with me there per our proposal.

Please confirm a time to me as soon as possible so that we can count on this.

We look forward to assisting you with getting the city of St. Paul handled and get your rehabilitation completed.

Thanks for the quick response.

Mark
