Surcharge A	0.50
<b>TOTAL</b>	<b>70.50</b>

Separate ELECTRICAL PERMIT REQUIRED for any electrical work performed. Signs projecting over a public right-of-way may project up to four (4) feet from the property line, but in no case may come closer than two (2) feet from the curblin and ten (10) feet above ground level. Projecting signs shall be supported in a stationary position by a cantilevered structure without the use of any guy wires, cables, angle irons or turnbuckles.
