January 17, 2013

Aaron Hass
St. Paul Public Works – Sewer Utility
25 West 4th Street, 700 CHA
St. Paul, MN 55102

Dear Mr. Hass:

This is to confirm that our office has received your application for a variance from the city's noise ordinance and that it is being processed.

The Department of Safety and Inspections has recommended that a variance be issued to operate boilers and generators for a sewer lining project on Marshall Avenue between Cretin and Moore for 24 hours a day for an unspecified 20 day time period from February 25, 2013 to April 12, 2013. The recommendation is to use best practical methods to control the sound level.

A public hearing on your request for a variance has been scheduled for **February 6, 2013, 5:30 p.m.**, Third Floor, City Council Chambers, at the Saint Paul City Hall/Ramsey County Courthouse, 15 Kellogg Boulevard W., Saint Paul, Minnesota.

You may wish to be present at this hearing to answer any questions that the City Council might have. After the public hearing, the Council may grant, deny, or modify the variance request. **If you have any questions, you can reach Mark Kaisersatt, Environmental Health Specialist, at 651-266-1908, or e-mail him at Mark.Kaisersatt@ci.stpaul.mn.us**

Sincerely,

Natasha Murphy
Department of Safety & Inspections
Office Assistant III
