Dear Buberl Recycling & Composting:

This letter will serve as your official notice to proceed with the emergency nuisance abatement at: **677 BLAIR AVE**

1. Remove the brick from the front of the structure.
2. Fence off the site until all brick rubble and debris is removed.
3. Work shall commence immediately and is to be performed under the supervision of Steve Magner, Manager of Code Enforcement, Department of Safety and Inspections.

This is a hazardous structure that needs to be removed immediately. Please proceed with the demolition under City **Master Contract C-219138-C**.

To avoid delays when obtaining your demolition permit, you should bring this letter with you to the Department of Safety and Inspections, 375 Jackson Street, Suite #220.

Submit an itemized invoice to City of Saint Paul, Code Enforcement, and use **Master Contract C-219138-C** as the purchase order for this work.

If **delays** arise, you should contact this office immediately, however, if the above stated contract terms are not met, no future contracts will be awarded to Buberl Recycling & Composting.

Sincerely,

Steve Magner
