Dear Reid:

Re: Purchase of 55 Front Street
Buyer: Dana Leibfried

Attached you will find the documents and fee required for this property. Dana is purchasing this property with the backing of her uncle (private financing). Dana is excited about her new home and intends to occupy it once the repairs and remodeling it complete. She is hoping to have the work done by June but if not, she will request an extension. Both her uncle and I feel it may take longer then a couple of months to complete. It usually weighs heavily on how quickly the contractors can be scheduled.

We are waiting on Jack (her uncle) to send us a bank letter or statement verifying the funds needed to cover the bid. He is on his way to Florida and says he will send it as soon as he arrives. I will forward that document to you as soon as we receive it. In the meantime, please review the enclosed documents and let me know if Dana needs to do anything else to be in compliance. Again, I will get that letter/statement from Jack within the next couple of days.

The closing is scheduled for April 2nd so Dana and I are hopeful that Dana will receive the necessary document from you before then so she can close.
