Ms. Chun,

The Legislative Hearing Officer, Marcia Moermond, stated that you must address the life safety issues such as carbon monoxide and smoke detectors by the close of business on Monday, June 24. She said she will look more closely at the list to see if there are other immediate issues as well. As for the deadline to get your compliance, everything must be addressed by Friday, July 19 or the units must be vacated.

This matter will be on the City Council Agenda for Wednesday, July 10, 2013 at 5:30 p.m. in Room 300 Council Chambers if you wish to contest further.
