To: Kathy Lantry
Regarding 1108 Wilson

At our July 1st Land Use meeting our committee reaffirmed our support of the Zoning Variance for a parking area in front of 1108 Wilson.

There is no alley access to the back yard because of the grade change from the alley to back yard and limited on street parking on a dead end street with a fire hydrant. The neighbors there are in support of the Zoning Variance .

Thank you,
Karin DuPaul
