Summary Abatement Order

Revised 4/22/2011

Grounds for Appeal

The Summary Abatement Order is appealed on the following grounds:

1. The walk is not blocked for the most part as alleged in the report and does not constitute a nuisance. Cutting of bushes was commenced on July 3 and in progress when the inspector issued the order
2. The brush pile on the property is maintained as necessary to maintain the walk, is removed once yearly and does not constitute a nuisance.
3. The obstruction has been removed, no longer constitutes a nuisance and this appeal is filed, because the city ordinance does not allow for a post abatement review.
