Dear Councilmember Dan Bostrom:

The Payne Phalen District Five Community Planning & Economic Development Committee (CPED) met on August 7, 2013 at the Eastern District Police Station at 722 Payne Avenue. The public meeting was noticed to the adjacent neighborhood by District Five staff. The CPED meeting was chaired by Jonathan Bohn. On the agenda was a review of a license application for 858 Payne Avenue (Ward 6 Café). Eric Foster attended on behalf of the business.

The CPED Committee heard a presentation of the planned uses of a patio and the sidewalk service being proposed. The CPED Committee offered its strong support for the license and also requested a 45 day waiver to expedite the business to use the remaining season to start this expanded service.

The CPED Committee requests via this letter that Mr. Parker and Mr. Foster are granted a 45-day waiver to permit the opening of this expanded service area within the current summer season. The request was passed by unanimous vote.

Please contact me with any questions or concerns at 651-774-5234. Thank you!

Sincerely,

Leslie McMurray, Executive Director
On behalf of the District Five CPED Committee
