Resolution will accomplish 2 goals:

1. It will close out the 2013 budget for the City's share of the Highland and Sun Ray library renovation projects. The City share of those projects will be fully budgeted in the 2014 CIB budget.
2. It will add private funding for the library renovation projects based on the current capital campaign of the Friends of the Library. Establishing the budget for the private funding will establish the budget authority for architectural and design work on the projects beginning in 2013.
