Re: 838 – 840 Goodrich Avenue, St. Paul, Minnesota

Dear Mr. Thune,

I represent Robert Casselman in connection with his ownership of the above-referenced property. It is my understanding that you spoke with Mr. Casselman earlier today and indicated that the recommendations from the public hearing officer will not be considered at tomorrow's City Council meeting.

It is my understanding that Mr. Casselman will come forward with a plan to pursue the required improvements to the above-referenced property.

If my understanding of this matter is incorrect, please let me know immediately.

Sincerely,

MORRIS LAW GROUP, P.A.
