Subject: 1200 Rice Street, File #14-190098

I do not think the Board of Zoning Appeals should have granted variances from the sign code requirements for this property, as the sign does not fit in with a neighborhood that has a lot of residential housing. It appears this sign would dwarf any other signage on Rice Street.

I would fully agree with the recommendations of the District 6 Planning Council to appeal this decision.

Thank you,
