Hello Mai-

Thank you for speaking with me this afternoon. We are happy to come to the city council meeting in June if need be as you said. Evenings definitely help! My wife and I are new homeowners in St. Paul Highland Park at 1290 Eleanor. We received a 'ratification of assessment' letter for property cleaning. Assessment # 148524. Our house is a brand new home that was being built form ground up. The home was not yet complete at time of ths assessment ad we do not dispute that there was something to clean up in front yard because house was not completed at that time. We are only disputing fees due to the period of construction. I believe at the time of assessment we were also getting everything moved in, but anthing from my wife and I was brought inside or thrown in trash. Any trash or items in front of house was 100% from construction.

Thanks so much. Have a great day!
