

Hello Councilmember Stark,

I'd like to encourage you to vote for allowing Car2Go expansion into St Paul.

I live in Minneapolis, but work over at University Ave & Raymond Ave in St Paul. Right now I use Car2Go to haul larger items to work & home instead of taking them by bus/bike, but I have to pickup and leave the Car2Go cars on Emerald St at the border. It would be awesome to be able to drive a few more blocks and leave the car next to my office instead.

Thank you!
