ZONING COMMITTEE STAFF REPORT

1. FILE NAME: TCB Properties LLC

FILE #: 14-312-394

2. APPLICANT: TCB Properties LLC

HEARING DATE: August 14, 2014

3. TYPE OF APPLICATION: Rezoning

4. LOCATION: 1599 - 1605 Rice St., between Wheelock Parkway and Iowa Avenue

5. **PIN & LEGAL DESCRIPTION:** 242923110081, 242923110080, & 242923110079; Rice Street Villas Lots 7, 8 & 9, Block 8

6. PLANNING DISTRICT: 6

EXISTING ZONING: B3

7. **ZONING CODE REFERENCE:** §61.801(b)

8. STAFF REPORT DATE: August 7, 2014

BY: Jamie Radel

9. **DATE RECEIVED:** July 24, 2014

60-DAY DEADLINE FOR ACTION: September 22, 2014

A. **PURPOSE:** Rezone from the B3 General Business district to the T2 Traditional Neighborhood district

B. PARCEL SIZE: 9,148 sq. ft.

C. EXISTING LAND USE: Four-family dwelling

D. SURROUNDING LAND USE:

North: Commercial (restaurant) (B3)

South: Multi-family residential/nursing home (RM2)

East: Commercial (gas station) (B2)

West: Single-family/multi-family residential (RM2)

E. **ZONING CODE CITATION:** §61.801(b) provides for changes to the zoning of property initiated by the property owner.

- F. **HISTORY/DISCUSSION:** These parcels were vacant or used as parking until early 2004 when a site plan was approved and building permits issued for a four-plex. At that time the B3 General Business district allowed for residential uses. In May 2004, an amendment to the zoning code eliminated most residential uses from that zoning district. This amendment resulted in the four-plex becoming a nonconforming use before construction on the building was completed.
- G. DISTRICT COUNCIL RECOMMENDATION: District 6 supports approval of this application.

H. FINDINGS:

- 1. The application seeks rezoning of 1599 1605 Rice Street from the B3 General Business district to the T2 Traditional Neighborhood district in order to more closely align the zoning of the subject parcels to the existing multi-family dwelling use. The applicant has conveyed that the property's nonconforming use status has increased difficulty to obtain financing for the property.
- 2. The proposed T2 Traditional Neighborhood zoning for these properties is consistent with the way this area has developed. This segment of Rice Street is generally a mix of housing types and service/retail businesses. The T2 district permits many residential uses, including multi-family residential, and also permits many of the commercial uses found in this area.

- 3. The proposed zoning is consistent with the Comprehensive Plan, which designates these parcels as being part of a Mixed-Use Corridor. Land Use Strategy 1.24 states: "Support a mix of uses on Mixed-Use Corridors." The District 6 Plan contains no provisions specific to this application.
- 4. The proposed T2 Traditional Neighborhood district is compatible with the surrounding land uses. The T2 district supports a range of uses, including those found on and in the vicinity of the subject properties. In addition, the T2 district is designed to provide sufficient transitions between the more intense uses along mixed-use corridors and the surrounding neighborhoods.
- 5. Court rulings have determined that "spot zoning" is illegal in Minnesota. Minnesota courts have stated that this term "applies to zoning changes, typically limited to small plots of land, which establish a use classification inconsistent with the surrounding uses and create an island of nonconforming use within a larger zoned property." The proposed T2 zoning is not "spot zoning" because the T2 uses are consistent with the surrounding residential and commercial zoning designations and uses.
- I. **STAFF RECOMMENDATION:** Based on the above findings, staff recommends approval of the rezoning of 1599 1605 Rice Street from the B3 General Business district to the T2 Traditional Neighborhood district.
