Hi Sean,

I left a message for Amy last week regarding the exterior repairs here and she has not returned my call. I also cannot get the repairs done in the lower level right now because they were supposed to be gone per the eviction and have not left yet, so I have the attorney handling the eviction pulling the writ today to get the sheriff. I don't have a date yet on that. I can have the stuff done in basement and also unit 2. I'm wondering if you want to come just check that stuff out or if you want to just reschedule the whole inspection until probably closer to end of the month? I do not want any reinspection fees for rescheduling, so if that would be the case, I would prefer to just do one inspection then.

Thanks,
Mary
