Re: Appeal for Property at 755 Minnehaha Avenue West

Dear Ms. Mayard:

This is to confirm that on September 9, 2014 at the Legislative Hearing, Marcia Moermond, Legislative Hearing Officer recommended that the City Council grant an extension until November 1, 2014 to have the power restored in Unit 1 or the building must be vacated. In the meantime, you are not allowed to run extensions between the two units, no use of generators, need to have the furnace checked by a licensed contractor, and make sure that all smoke and carbon monoxide detectors in both units are working. Paula Seeley will do an inspection to check to see if those things are done. If you believe that Ramsey Action Program checked the furnace last year, Ms. Moermond asked that a letter be provided.

If you wish to appeal further, you may attend the City Council Public Hearing on Wednesday, October 1, 2014 at 5:30 p.m. in Room 300 Council Chambers, Third Floor.

If you have any questions, you may contact me at 651-266-8563.

Sincerely,

Mai Vang
Legislative Hearing Coordinator
