Appeal Letter to the City of Saint Paul

~~I'm~~ appealing the vacated order of 9/15/2014 for the following reasons:

As of this writing, our Xcel gas and electric bill is \$6520.58. We have been dealing with Xcel since April 2014. In 2005, we filed for bankruptcy protection on an old Xcel bill totaling \$4308.00. Since that time, we have been fortunate enough to keep our electric on with the help of various social service agencies like Heatshare and Energy Assistance. In the spring of 2012, our daughter volunteered to put her name on the Xcel bill. She has since moved out of our home in March 2014. At that time, Xcel found out that we had our dismissed bankruptcy amount and probably promptly put that amount on our bill from May 2012. They also credited my bill with \$279.00 in February 2014. If Xcel wanted to collect the money that we owed them why didn't they contact us after the dismissal of the bankruptcy proceedings? We have been in contact with the Attorney General's office, regarding this.

We have been to Ramsey County's Emergency Assistance on 2000 separate occasions. We also have been referred to HouseCalls (whom we already owe money to) and to Heatshare (who do not have a lot of money to give to people as well). The reason that our electric is partially restricted is because of my medical (asthma) problem that is only restricted by a nebulizer. But I have been unable to sterilize my equipment because of no hot water. (Also, hot water also heats my home).

I've been trying to talk to Xcel about a payment arrangement with them but the only thing that they can guarantee me at this time is a down payment of \$869.64 and with my current bill added to that would make it almost \$950.00 a month - which is obviously more than 80% of my income of \$1200.00 a month - net. My husband is on a fixed income and I'm working part-time 10-15 hrs a week.
