

A constituent, Adam Backstrom of xxxx Princeton Ave, called this morning and wants it entered into the public record that he supports Ord 14-41 Creating Chapter 200A of the St. Paul Legislative Code to require that private or public groups organized to care for stray, homeless, relinquished, or abandoned dogs and cats reduce unnecessary euthanasia. He agrees that rules and regulations should be tightened and thinks it's invaluable that we encourage non-profits to work together and share resources to reduce euthanasia.
