

Professional and Technical Services Contract

State of Minnesota

SWIFT Contract No.: 52441

This Contract is between the State of Minnesota, acting through its Commissioner of Public Safety, Division of Homeland Security and Emergency Management ("State") and City of Saint Paul, Department of Fire and Safety Services, whose designated business address is 645 Randolph Avenue, Saint Paul, Minnesota 55102 ("Contractor").

Recitals

1. Under Minn. Stat. § 15.061 and 299A.50, Subd. 2, and Reorganization Order # 191 the State is empowered to enter into contracts with other state departments and agencies, local units of government, other states, Indian tribes, the federal government, or other nonpublic persons to implement the provisions of Minnesota Rules, Chapter 7514.
2. The State is in need of professional/technical services from regionally located Hazardous Materials Emergency Chemical Assessment Teams to assist local authorities in protecting the public's safety from effects of a hazardous materials release.
3. The Contractor represents that it is duly qualified and agrees to perform all services described in this contract to the satisfaction of the State.

Contract

1. Term of Contract

- 1.1 **Effective date:** October 1, 2012, or the date the State obtains all required signatures under Minn. Stat. § 16C.05, subd. 2, whichever is later. The Contractor must not begin work under this Contract until this Contract is fully executed and the Contractor has been notified by the State's Authorized Representative to begin the work.
- 1.2 **Expiration date:** September 30, 2014, or until all obligations have been satisfactorily fulfilled, whichever occurs first.
- 1.3 **Survival of terms:** The following clauses survive the expiration or cancellation of this Contract: 8. Indemnification; 9. State audits; 10. Government data practices and intellectual property; 13. Publicity and endorsement; 14. Governing law, jurisdiction, and venue; and 15. Data disclosure.

2. Contractor's duties

The Contractor, who is not a state employee, except as defined in Minn. Stat. § 299A.51, Subd 1 and 2, will:

- 2.1 be responsible for all terms, tasks and conditions assigned by Minn. Stat. §§ 299A.48 to 299A.52 and Minnesota Rules, Chapter 7514, including but not limited to the following:
 - (A) Respond to hazardous materials incidents occurring in Contractor's primary and secondary response areas when requested;
 - (B) Respond to any response area in the state when directed to do so by the Commissioner of Public Safety (*Minnesota Rules, Chapter 7514.0900, Subpart 1*);
 - (C) Coordinate on-scene emergency response operation with local, state and federal agencies, Indian tribes, and private response organizations through the Minnesota Incident Management System (*Minnesota Rules, Chapter 7514.01800, Subpart 1*);
 - (D) Ensure that team members are in compliance with the initial, continuing education, and team training requirement established in Minnesota Rules, Chapter 7514.0600, Subparts 1 to 4, and annually certify such compliance to the Commissioner (*Minnesota Rules, Chapter 7514.0600, Subpart 6*);
 - (E) Ensure that team members are in compliance with the medical requirements established in Minnesota Rules, Chapter 7514.0600, Subpart 7, and annually certify such compliance to the Commissioner (*Minnesota Rules, Chapter 7514.0600, Subpart 7*);

- (F) Deploy team personnel and equipment to a hazardous materials incident within and average of fifteen (15) minutes from the time the decision is made to dispatch the team (*Minnesota Rules, Chapter 7514.0500*). For purposes of the clause, the decision to dispatch the team will be considered made at the time the Contractor's point of contact for purposes of dispatching the team, as identified in Appendix E, is notified by the State;
- (G) Ensure compliance with all other employer requirements established in Minnesota Rules, Chapter 7514.0600;
- (H) Conduct a formal evaluation of the team's response to each incident as required by Minnesota Rules, Chapter 7514.1300;
- (I) Submit a detailed report of the team's response to an incident as required by Minnesota Rules, Chapter 7514.0900, Subpart 7, and take all appropriate measures to identify to the State the responsible person of each incident, to include Social Security number or Federal Tax Identification number;
- (J) Designate a primary and alternate representative to the Hazardous Materials Regional Response Team Program Advisory Committee, who will attend all meetings of the committee and have the authority to make recommendations on behalf of the Contractor;
- (K) Designate a primary and alternate representative who will receive training in applying the suggested operating guidelines and other administrative procedures of the Hazardous Materials Regional Response Team Program, provided by the Commissioner, as required by Minnesota Rules, Chapter 7514.0700, Subpart 2, and who will be responsible for providing that instruction to other team members;
- (L) Maintain and store emergency response vehicles and equipment, whether loaned to Contractor by the State, or owned by the Contractor, in proper working order and ready for response at all times, except as may be necessary for the performance of routine or necessary maintenance, repairs or replacement. Contractor must immediately notify the State whenever Contractor is not available for emergency response as a result of such circumstances;
- (M) Submit claims for recoverable costs to the Commissioner as required by Minnesota Rules, Chapter 7514.1700, Subparts 1 and 3, and take all appropriate measures to identify to the State the responsible person for each incident, to include Social Security number or Federal Tax Identification number;
- (N) Maintain the minimum composition of team members required by Minnesota Rules, Chapter 7514.0800.
- (O) Respond to incidents to perform the functions of a Chemical Assessment Team as required by Minnesota Rules, Chapter 7514.0900, subparts 3 and 4, with a minimum of three (3) and a maximum of five (5) persons certified to the levels of hazardous materials training required by Minnesota Rules, Chapter 7514.0800 Subpart 6;
- (P) Respond to incidents and assist local authorities at the scene of a hazardous materials incidents by providing simple mitigation to the hazardous materials incident and recommend to the local incident manager the best means of controlling the hazard after consideration of life safety concerns, environmental effects, exposure hazards, quantity and type of hazardous material, availability of resources, or other relevant factors (Minnesota Statute, Chapter 299A.49, subpart 2);
- (Q) Respond to incidents in conjunction with an Emergency Response Team to assess an incident, develop and recommend mitigation strategies, and assist with response operations (Minnesota Rules, Chapter 7514.0900, Subpart 4).

3. Time

The Contractor must comply with all the time requirements described in this Contract. In the performance of this Contract, time is of the essence.

4. Consideration and payment

4.1 Consideration. The State will pay for all services performed by the Contractor under this Contract as follows:

- (A) **Compensation.** The Contractor will be paid by the State for the following costs associated to:

(D) Costs incurred under Clause 4, Section 4.1, Item (C) of this contract for any single response by Contractor may not exceed \$5,000.00, unless authorized by the State.

All necessary and reasonable costs associated with a State authorized emergency response to a hazardous materials incident, incurred by the Contractor and authorized by the State, will be billed by the State to the responsible person, and managed by the State through a separate revolving account for such incidents. Contractor agrees that the State subrogates to the rights of the Contractor against the responsible person as defined in Minnesota Statutes 299A.52.

- (E) The total obligation of the State for all compensation to Contractor incurred under Clause 4, Section 4.1, Item (A), of this contract will not exceed \$240,000.00.

4.2 Payment.

- (A) **Invoices.** The State will promptly pay the Contractor after the Contractor presents an itemized invoice for the services actually performed and the State's Authorized Representative accepts the invoiced services. Invoices must be submitted timely and in a form prescribed by the State, and according to the following schedule:

- (1) **Contractor Compensation:** Contractor will submit a completed Contractor's Compensation Reimbursement Packet at least annually but not more frequently than monthly for reimbursement of costs identified in Clause 4, Section 4.1, Items (A) and (B) of this contract. Final invoice for reimbursement must be received by the State no later than October 30, 2014. The State will process completed Reimbursement Packets for compensation within thirty (30) days of receipt. The total amount of reimbursement pertaining to Clause 4, Section 4.1, Items (A) and (B) of this contract will not exceed the limits of this contract.
- (2) **Emergency Response Compensation:** Contractor is responsible for submitting a claim for reimbursement for the reasonable and necessary costs associated with a State authorized emergency response to a hazardous materials incident within 45 days of the termination of the response. The claim for reimbursement must be made on State provided forms and must detail the reasonable and necessary costs of the response as provided in Clause 4, Section 4.1, Items (C). The State will process completed forms for reimbursement within thirty (30) days of receipt.

- (B) **Retainage.** Under Minnesota Statutes Section 16C.08, subdivision 5(b), no more than 90% of the amount due under this contract may be paid until the final product of this contract has been reviewed by the State's agency head. The balance due will be paid when the State's agency head determines that the Contractor has satisfactorily fulfilled all the terms of this contract.

- (C) **Federal funds.** (Where applicable, if blank this section does not apply) Payments under this contract will be made from federal funds obtained by the State through Title _____ CFDA number _____ of the _____ Act of _____. The Contractor is responsible for compliance with all federal requirements imposed on these funds and accepts full financial responsibility for any requirements imposed by the Contractor's failure to comply with federal requirements.

5. Conditions of payment

All services provided by the Contractor under this Contract must be performed to the State's satisfaction, as determined at the sole discretion of the State's Authorized Representative and in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations including business registration requirements of the Office of the Secretary of State. The Contractor will not receive payment for work found by the State to be unsatisfactory or performed in violation of federal, state, or local law.

6. Authorized Representative

The State's Authorized Representative is Kris Eide, Director of the Minnesota Division of Homeland Security and Emergency Management, or his/her successor, and has the responsibility to monitor the Contractor's performance and the authority to accept the services provided under this Contract. If the services are satisfactory, the State's Authorized Representative will certify acceptance on each invoice submitted for payment.

The Contractor's Authorized Representative is Timothy Butler, Fire Chief, City of St. Paul Department of Fire and Safety Services, at the following business address and telephone number: 100 East 11th Street, St. Paul, MN 55101, (651) 228-6214, or his/her successor. If the Contractor's Authorized Representative changes at any time during this Contract, the Contractor must immediately notify the State.

7. Assignment, amendments, waiver, and contract complete

- 7.1 Assignment.** The Contractor may neither assign nor transfer any rights or obligations under this Contract without the prior consent of the State and a fully executed assignment agreement, executed and approved by the same parties who executed and approved this Contract, or their successors in office.
- 7.2 Amendments.** Any amendment to this Contract must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original Contract, or their successors in office.
- 7.3 Waiver.** If the State fails to enforce any provision of this Contract, that failure does not waive the provision or its right to enforce it.
- 7.4 Contract complete.** This Contract contains all negotiations and agreements between the State and the Contractor. No other understanding regarding this Contract, whether written or oral, may be used to bind either party.

8. Indemnification

In the performance of this Contract by Contractor, or Contractor's agents or employees, the Contractor must indemnify, save, and hold harmless the State, its agents, and employees, from any claims or causes of action, including attorney's fees incurred by the State, to the extent caused by Contractor's:

- a) Intentional, willful, or negligent acts or omissions; or
- b) Actions that give rise to strict liability; or
- c) Breach of contract or warranty.

Minn. Stat. § 299A.51 and Minnesota Rules, Chapter 7514.2000 govern the Contractor's liability. The indemnification obligations of this section do not apply in the event the claim or cause of action is the result of the State's sole negligence. This clause will not be construed to bar any legal remedies the Contractor may have for the State's failure to fulfill its obligation under this contract.

9. State audits

Under Minn. Stat. § 16C.05, subd. 5, the Contractor's books, records, documents, and accounting procedures and practices relevant to this Contract are subject to examination by the State and/or the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Contract.

10. Government data practices and intellectual property

10.1 Government data practices. The Contractor and State must comply with the Minnesota Government Data Practices Act, Minn. Stat. ch. 13, (or, if the State contracting party is part of the Judicial Branch, with the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court as the same may be amended from time to time) as it applies to all data provided by the State under this Contract, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Contractor under this Contract. The civil remedies of Minn. Stat. § 13.08 apply to the release of the data governed by the Minnesota Government Practices Act, Minn. Stat. ch. 13, by either the Contractor or the State.

If the Contractor receives a request to release the data referred to in this clause, the Contractor must immediately notify and consult with the State's Authorized Representative as to how the Contractor should respond to the request. The Contractor's response to the request shall comply with applicable law.

11. Workers' compensation and other insurance

Contractor certifies that it is in compliance with all insurance requirements specified in the solicitation document relevant to this Contract. Contractor shall not commence work under the Contract until they have obtained all the insurance specified in the solicitation document. Contractor shall maintain such insurance in force and effect throughout the term of the Contract.

Further, the Contractor certifies that it is in compliance with Minnesota Statute § 176.181, subdivision 2, pertaining to workers' compensation insurance coverage. The Contractor's employees and agents will not be considered State employees. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees or agents and any claims made by any third party as a consequence of any act or omission on the part of these employees or agents are in no way the State's obligation or responsibility.

12. Debarment by State, its Departments, Commissions, Agencies or Political Subdivisions

Contractor certifies that neither it nor its principles is presently debarred or suspended by the State, or any of its departments, commissions, agencies, or political subdivisions. Contractor's certification is a material representation upon which the contract award was based. Contractor shall provide immediate written notice to

the State's authorized representative if at any time it learns that this certification was erroneous when submitted or becomes erroneous by reason of changed circumstances.

13. Publicity and endorsement

13.1 Publicity. Any publicity regarding the subject matter of this Contract must identify the State as the sponsoring agency and must not be released without prior written approval from the State's Authorized Representative. For purposes of this provision, publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Contractor individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this Contract.

13.2 Endorsement. The Contractor must not claim that the State endorses its products or services.

14. Governing law, jurisdiction, and venue

Minnesota law, without regard to its choice-of-law provisions, governs this Contract. Venue for all legal proceedings out of this Contract, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

15. Data disclosure

Under Minn. Stat. § 270C.65, subd. 3 and other applicable law, the Contractor consents to disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number, already provided to the State, to federal and state agencies, and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state laws which could result in action requiring the Contractor to file state tax returns, pay delinquent state tax liabilities, if any, or pay other state liabilities.

16. Payment to subcontractors

[If applicable] As required by Minn. Stat. § 16A.1245, the prime Contractor must pay all subcontractors, less any retainage, within 10 calendar days of the prime Contractor's receipt of payment from the State for undisputed services provided by the subcontractor(s) and must pay interest at the rate of one and one-half percent per month or any part of a month to the subcontractor(s) on any undisputed amount not paid on time to the subcontractor(s).

17. Termination

17.1 Termination by the State. The State or Commissioner of Administration may cancel this Contract at any time, with or without cause, upon 30 days' written notice to the Contractor. Upon termination, the Contractor will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed.

17.2 Termination for insufficient funding. The State may immediately terminate this Contract if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written or fax notice to the Contractor. The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Contractor will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if the Contract is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Contractor notice of the lack of funding within a reasonable time of the State's receiving that notice.

18. Non-discrimination (In accordance with Minn. Stat. § 181.59)

The Contractor will comply with the provisions of Minn. Stat. § 181.59 which require:

"Every contract for or on behalf of the state of Minnesota, or any county, city, town, township, school, school district, or any other district in the state, for materials, supplies, or construction shall contain provisions by which the contractor agrees:

- (1) that, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no contractor, material supplier, or vendor, shall, by reason of race, creed, or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates;*
- (2) that no contractor, material supplier, or vendor, shall, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause (1) of this section, or on being hired, prevent, or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed, or color;*
- (3) that a violation of this section is a misdemeanor; and*

(4) that this contract may be canceled or terminated by the state, county, city, town, school board, or any other person authorized to grant the contracts for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this contract."

19 E-Verify certification (In accordance with Minn. Stat. § 16C.075)

For services valued in excess of \$50,000, Contractor certifies that as of the date of services performed on behalf of the State, Contractor and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify Program for all newly hired employees in the United States who will perform work on behalf of the State. Contractor is responsible for collecting all subcontractor certifications and may do so utilizing the *E-Verify Subcontractor Certification Form* available at <http://www.mmd.admin.state.mn.us/doc/EVerifySubCertForm.doc>. All subcontractor certifications must be kept on file with Contractor and made available to the State upon request.

20. Other Provisions: All Appendices A through G referenced below are attached and incorporated into this contract:

Primary Response Area Boundaries: For purposes of Clause 2, Contractor's primary response area boundaries are established as described in Appendix A:

20.1 Secondary Response Area Boundaries: For purposes of Clause 2, Contractor's secondary response area boundaries are established as described in Appendix B:

20.3 State owned Vehicles, Trailers and Equipment Loaned to Contractor: State agrees to loan to Contractor the hazardous materials emergency response vehicles and equipment identified in Appendix D, in accordance with the following terms and conditions:

- (A) Contractor may use and have possession of the vehicles, trailers and equipment identified in Appendix D.
- (B) The State will retain title and legal ownership of loaned vehicles, trailers and equipment identified in Appendix D, and provide for their replacement.
- (C) The State will, upon request of Contractor, train at least one person designated by Contractor in the proper handling, use and maintenance of the vehicles, trailers and equipment identified in Appendix D. The State shall provide this training to Contractor's personnel without cost, other than travel and related expenses.
- (D) The State will maintain all necessary inventory control records on the vehicles, trailers and equipment identified in Appendix D.
- (E) The State will administer any manufacturer's warranty claims that may result during Contractor's use of the vehicles, trailers and equipment identified in Appendix D.
- (F) The State will provide Contractor with technical assistance as necessary regarding the proper handling, use and maintenance of the vehicles, trailers and equipment identified in Appendix D.
- (G) Contractor will keep and maintain the vehicles, trailers and equipment in proper operating condition.
- (H) Contractor will re-supply all disposable, expired and consumable components originally provided by the State, and will supply any other necessary disposable and consumable components not provided by State, at Contractor's expense.
- (I) Contractor will be responsible for the cost of repairing or replacing vehicles, trailers and equipment that have been lost, or in the opinion of the State, has been damaged due to abuse, misuse, or other cause outside the scope of normal wear and tear incurred in routine proper use. The State will determine whether the vehicles, trailers and equipment will be repaired or replaced.
- (J) Contractor will be responsible for the costs of routine maintenance and repair in accordance with the manufacturer's recommendations.
- (K) Contractor will return the vehicles, trailers and equipment identified in Appendix D to the State upon termination, expiration, or cancellation of the contract. All such items to be delivered or shipped to the State.
- (L) Contractor will not permit the vehicles, trailers and equipment to be tampered with or operated by individuals who are not trained in their proper handling and operation.
- (M) Contractor agrees to designate one or more person(s) to be trained by the State in the proper handling, use and maintenance of the vehicles, trailers and equipment. The Contractor will bear the cost of any travel and related expenses incurred by any person attending training.
- (N) The person(s) trained by the State in the proper use, handling and maintenance of the vehicles, trailers and equipment will provide that training to Contractor's team members and other appropriate

personnel.

- (O) Contractor will make the vehicles, trailers and equipment available to personnel authorized by the State when required for inventory or inspection purposes.
- (P) Contractor agrees to provide secure heated storage for vehicles, trailers and equipment identified in Appendix D.
- (Q) Insurance: Contractor agrees to provide the State a certificate(s) of insurance, or a statement of self-insurance, naming the State as an additional insured under the policy(s) prior to the execution of this contract:
 - (1) State Owned Equipment Loaned to Contractor: Contractor agrees to provide "All Risk" property floater insurance, or equivalent self-insurance, which provides replacement cost coverage on all State owned property loaned to Contractor by the State.
 - (2) Contractor may recover the cost of such insurance from the State in accordance with Clause 4, Section 4.1, Item A. (5), of this contract.
 - (3) Contractor agrees to provide the State thirty (30) days advanced written notice of cancellation, non-renewal, or reductions in limits or coverage's or other changes to the policy(s).

20.4 Point of Contact for Team Dispatching: Contractor agrees to maintain a single point of contact that will be used by the State to dispatch Contractor. Contractor's single point of contact is established as identified in Appendix E.

20.5 For purposes of this contract, the designees of the State's Authorized Representative are included as Appendix F of this contract.

20.6 For purposes of this contract, Contractor's primary and alternate representative(s) to the Hazardous Materials Regional Response Team Program Team Advisory Committee are included as Appendix G of this contract.

20.7 This instrument embodies the whole agreement of the parties. There are no promises, terms, conditions, or obligations other than those contained herein; and this contract shall supersede all previous communications, representations, or agreements, either verbal or written, between the parties.

20.8 The failure of one party to enforce any provision of this contract will not constitute a waiver by that party of that or any other provision.
