Attn: Barb McMonigal

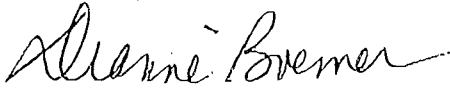

Dear Barb:

Enclosed please find our Sound Level Variance Application, a check for \$164.00 and a drawing of the space. As we discussed on February 9th, we recently learned that we are required to apply for a variance if we intend to have music playing in our tent on the two St. Patrick's Day celebrations.

As we've done for the past 10 years, we'd like to have a DJ play amplified music in the enclosed tent in our parking lot on Saturday, March 14th from 3:00 p.m. to midnight and on Tuesday, March 17th from 3:00 p.m. to midnight. The DJ sets up his desk in the Northeast corner of the tent with the two speakers facing directly into the middle of the tent. He takes regular 15 minute breaks throughout the venue.

Please let me know if you need additional information and thank you for your assistance.

Sincerely,

Dianne Boemer
