

SUBJECT

BOARD RESOLUTION NO. 15-468

Pertaining to a Sixth Rider to Agreement with the City of Centerville allowing the installation of a drainage culvert across the Centerville conduit right of way in the city of Centerville.

BACKGROUND INFORMATION

A June 9, 1966 Agreement between the City of Centerville and the Board provided permission for the City to enter upon Board property to carry out necessary operations in respect of certain City improvements and operations.

At this time, the City desires to install a 48-inch equivalent arch pipe culvert under the Board's 42-inch raw water conduit, approximately 920 feet south of LaMotte Drive.

See attached Location Map and proposed Sixth Rider to Agreement.

RECOMMENDATION

Approval is recommended.
