March 12, 2015 Public Hearing Item V.B

Dear Applicant:

Enclosed is the agenda for the upcoming Heritage Preservation Commission meeting at which remove or repair orders for your property in the Dayton's Bluff Heritage Preservation District will be discussed and a recommendation made to the Legislative Hearing Officer. Also enclosed is a copy of the staff report that will be presented during the meeting. Either you or your representative are welcome to attend the public hearing and testify.

Please note there is an Elmo video machine available in the meeting room which will project any type of image – photographs, drawings, slides, etc. – onto screens around the room, if you should wish to use it. Please call staff ahead of time if you would like a laptop connection for presentations.

Please contact staff at 651.266.6643 with any questions you may have.

Sincerely,
