

Hilary,

Thank you for the notification of the Conditional Use Permit at 168 Front Ave. I can see that vacant lot from my front window. I fully support any projects or permits that would better use that space. I especially support a Farmers Market there as a good starting point.

I apologize that I didn't get the notice in time to attend the hearing. However, if you can add my support to the permit file, I would appreciate it.

V/r,

Christopher Brossart

Albemarle St
