1179 East 7th Street
St. Paul

I request a public hearing to determine the proposed use for this building in the Dayton's Bluff neighborhood.

As a bar, this building has had a negative effect on our neighborhood for years. We can really do without the car racing, crashes, public intoxication, public urination, trash, assaults, gunfire, and murder.

If the building was to be used primarily as a restaurant, a micro-brewery, or some other constructive purpose, I would be open to those possibilities. but not another bar.

Thank you,
