A legislative hearing was held on 5-19-15 and billing invoice for the subject property was released to us, RAS Enterprises, LLC.

I submitted the attached Invoice to our insurance company and they only authorize payment of \$305.85 as indicated on Invoice#48561 from Restoration Professionals NOT \$465.85. Therefore, we request the assessment be reduced to \$305.85.

Please confirm of receipt.
