Dear Megan Elder,

We were very impressed with your professional help to guide the management of the orangutan populations over the past years in Southeast Asia and thank you for your contributions.

In 2015, the “Orangutan RSMP meeting” and the “2015 International Conference on the Management of Ex Situ Population for Conservation” will be held at Taipei Zoo, Taiwan on October 26-28. We cordially invite you to join us in upcoming events. Your presence and enthusiasm to these important issues will be greatly appreciated and we are looking forward to seeing you.

Yours sincerely,

Chin, S.C.
