6/09/15

I Jerome BORIO Admit to the fact of Running BORIO's Dutch Bar without Liquor Liability Insurance. I was unaware of this happening and did not Receive notice from my Insurance Company due to my knowledge. This is the first time I have ever been late on Liquor Liability Insurance, Liquor License or Property taxes they have always been Paid in full before the April deadline. Due to my track Record I believe the ten day closer is a little Excessive.

Jerry Borio
