RE: Patio Seating
Wabasha Brewing Company LLC
429 Wabasha St S.
St Paul MN 55107

To Whom It May Concern:

On behalf of the West Side Community Organization (WSCO), the formal Planning Council for the City of Saint Paul's West Side, I would like to offer the organization's support for an application for outdoor patio seating for Wabasha Brewing Company and a recommendation to waive the 45 waiting period.

Chris Kolve has discussed with us his plans for an area behind that seats 12-14 and a lower area with four tables that will open in the early fall. This would make for a total of 16 patrons outdoors.

We are very supportive of this request. Wabasha has been and continues to be a great West Side neighbor and an asset to our community and business community.

Please let me know if West Side Community Organization can be of further assistance.

Sincerely,
