Marcia:

Can you please provide me copies of the plans that you and Christine were discussing at your earliest convenience. Based on the conversation at the hearing noted below it does appear that city was aware of seating on the mezzanine and the city was involved in discussions.

I would appreciate the copies you have seen as I have not seen those.

Thanks  
Will

Marcia copied what I mentioned at the meeting.  
Otherwise, I'm in meetings and I'm writing reports for a deadline.

Christine:

I am listening to the hearing on June 9th. At approximately 3:28:30 you state that you have plans that were reviewed by HPC and DBHS??( I am not sure on the exact).....and you state that the mezzanine and spiral stair case are on the plans that were reviewed. In the hearing Ms. Moermond asks for copies of those plans and you indicate you will provide those.

Can you please make a copy of those plans available to me at your earliest convenience?

Thank you.
