contingency in 3b statin days. And added a new allowing us a thorough f	han an addendum, we added the contingencies into the document. Specifically, we added a g that the owner needs to clear the property of all debris and personal property within 3 Section 5 with contingencies about our board approval and the city council giving us time, and easibility assessment (because of all the junk in there, we're not able to see everything w what you think and we'll get this signed this afternoon. Thanks! -Jill
BTW, our ED has review	ed and approved this so we're good to go on our end!
