Subject: Two wrongs do not make it right

The city council's consideration to ban Donald Trump from visiting St Paul is wrong. We are a country of states and should not restrict travel between the states. We are all entitled to our opinion and the council should not make judgement on legal candidates, which he is, let the voters decide if Mr Trump is right or wrong. I am not campaigning for Trump, but he needs to be free to campaign without the St Paul government restricting his right to visit St Paul.
