**Subject:** Mr. Trump

I have lived in Minnesota my entire 61 years. I am floored by what I just read re: your group suggesting we ban Donald Trump.

- 1) I would never vote for Donald Trump.
- 2) your group has embarrassed my state.
- 3) your suggestion is rude, childish, arrogant, unbecoming selfish in re:
  - a. our state (Minnesota nice) history.
  - b. our liberal slant on what qualifies as humanitarian behavior.
  - c. respectable, adult, intelligent leaders who make Mn better.
  - d. Children learn most of what they witness.

Rude, childish, arrogant, unbecoming, selfish, and might I add bullies. The very traits happening in our society/schools today.

SHAME ON YOU.

I will not be a part of this, see you @ the voting booths.

Unapologetically yours,
