Subject: Trump ban

I have always loved visiting St Paul. So many great things to do and see. However, this morning when I heard on Kare 11 that the City of St Paul was voting on banning Trump from the city, I couldn't believe what I was hearing. This is unconstitutional. In the United States of America there is Freedom of speech. He is a candidate running for public office. Many of us want to hear what he has to say. We may not agree with all the candidates agendas however, it is their right and privilege as American citizens to express their intentions especially when they are running for office. I do urge you to retract this vote and if Mr Trump wants to come and talk to the people of Minnesota, that we would be " Minnesota Nice" and welcome him to our State. We are a State of fairness, integrity and honor and should practice these virtues at all times in all situations.

Thank You
