Subject: Mr. Trump

Idiots,

yea, that is you. You and your party have now lost my vote for life. Your actions in regard to Mr. Trump are quite obviously, and blatantly anti American. You arrogantly proclaim that you know better, or are more important, than the majority? When in fact, you simply bow to a party that arrogantly portrays far too much power, and neglects the will of the people. You are a disgrace to democracy, and obviously on the wrong side.

Americans want a politician, who calls a duck, a duck. When 99% of all terrorist acts on planet earth in the past 50 years have been perpetrated by Muslims, for anyone to say, there is no connection... is Ludacris. It is obviously, a Muslim problem. For most, it is obvious, that the teachings of Muslims insights terrorism. To say anything else... is a distraction that defies logic. Most voters are logical... which means... you are the enemy, since you support them, you support taking away the rights of Americans in support of jihadists. and Trump is our savior, since he supports us. Any questions?
