CHILD CARE CENTER

January 20, 2016

Dear Community of the Randolph Ave. Area:

The only concerns I have about the restaurant on the corner of Randolph Ave and View Streets opening is safety of our children due to parking and increased traffic.

We are currently open Monday through Friday from 6:30 am to 6Pm. We have children in our infant building located at 749 Juno Ave and in our Preschool building at 486 View Street. There are signs posted marking a drop off area that read: 15 Minute Parking 6-9am 3-6pm Monday through Friday. The signs are located right before the driveway (on View Street) to the convent building next to Sandcastle Child Care's Preschool Building (old St. James School) and just be for the stop sign on View street before Randolph Ave. I ask that these signs be respected for convenience of our parents as this is their drop of f and pick up area. We may also have school busses that need to park there for child drop of f and pick up.

The parking lot behind the church on Juno Ave is private property and is used by our parents, staff and the members of the church. During our business hours this parking lot is very busy with children, parents and staff crossing from one building to the other and cars. It is our hope that this parking lot will also be respected.

We wish our new neighbors luck and success and hope to have a wonderful relationship with them.

Thank you,

Wendy Jackson
Assistant Director of Sandcastle Child Care
