Hello Mai,

Per our discussion I would like to appeal on behalf of the property at 1325 Arkwright Street, Saint Paul Minnesota 55130 for a deferred payment for this property. Based on my situation I am unable to make any payment on this assessment at this time in the total amount of $320.00. For now I am unemployed, unhealthy, and presently my family and I are basely homeless.

According to the City of Saint Paul Public Improvement Invoice- Senior Note states that at age 65 may apply for a special assessment term greater than one year, I think Jacob Matadi is qualified for this program, and therefore I will accept this offer, please. If you could give me a feedback when you receive this appeal letter I sure will appreciate. I also mailed copy of this letter to the City Clerk of St. Paul. You may reach me at 850-228-7160 /952-454-4317.

With Regards,

Florence H. Matadi
