Dear Mr. Carter,

The Department of Safety and Inspections will recommend to the Saint Paul City Council that the City not sign off on your Minnesota Department of Public Safety application for a Consumption and Display (Set Up) permit. A resolution to this effect will come before the St. Paul City Council for the Council's consideration at a public hearing on March 16, 2016. The public hearing will occur at the 5:30 p.m. session of the meeting.

In addition, please be advised that unlicensed and unpermitted operation as a bottle club at your current location represents a violation of Minnesota State Statute 340A.414. Continued operation as an unlicensed and unpermitted bottle club may result in criminal and or civil action against yourself and members of The Lex.

Please let me know if you have any questions.
