We are vehemently opposed to extending the noise hours for Shamrock's Irish Nook on March 17, 2016. They already are celebrating St pat's Day starting 3/11 and our neighborhood already suffers with serious parking problems due to Shamrock's. Plus we hear the noise of the customers leaving at closing time. I do not understand why a neighborhood that my family has resided in for 110 years has to be noise abused so that Shamrock's can add to their profits. I wake for work at 5:30AM each day and I notice that many of my neighbors lights are on at this time also. So if there is noise until midnight plus the noise at closing the people suffering are the resident's that live in Shamrock's vicinity. Please do not allow this time extension.
