Subject: Support for The Lex Club's Consumption Display permit

Hello,

My name is Tony Hartwig, current St. Paul resident and past resident of the neighborhood, and I am contacting you to affirm my support for The Lex Club's Consumption Display permit. The owners of this property have put an amazing amount of work to renovate this property and I applaud their efforts to create a new positive community gathering place.

I respectfully request that you please grant this request for the permit and allow them to operate a reputable and quality establishment where members of our community are free to gather and unite.

Best Regards,

Tony Hartwig
