RE: 808 Jackson

District 6 Planning Council recommends removing the structure located at 808 Jackson Street It is a category three vacant building. There are numerous summary abatements and the building was condemned in August of 2015. A legislative hearing was held on May 10, 2016 and the owner or representative failed to appear. If the responsible party makes a decision to not appear, and has left no forwarding address, the North End does not have confidence that this is a reliable, responsible owner.

Thank-you for your consideration and if you have questions please contact the office.
