Fiscal Analysis

The Library will be receiving additional E Rate funds, Federal Communications Commission-Scholls and Libraries Program of the Universal Service Fund, this year. These monies will be used to pay for a new internet platform for access to the library catalog and resources. Ramsey County has stopped hosting the Saint Paul Public Library web site and the Library will need to have hosting and a platform for a new web site. Additional funds will also be expended on the connecting door from the Central Library to the James J Hill Library.
