Property Address: 665 No. Snelling Ave.  
Amount: \$5,617.35  
Property ID No. 33-29-23-11-0217

Dear Madam or Sir,

I wish to put you on notice that I object to the amount of the proposed assessment for the decorative street lighting which has not increased the value of my property. As required by Minnesota law, the amount of an assessment cannot be greater than the increase in value of my property as a result of the improvement for which the assessment is levied. As owner of the above referenced property, I hereby put you on notice that if the proposed assessment is approved and levied against my property, I intend to file an appeal in the Ramsey County District Court challenging said levy.

Very truly yours,

Kathryn M. Nelson, owner
