Subject: Organized Trash Collection

We want to add our voices in support of organized trash collection. It is a weekly task picking up trash, reporting large items dumped in a lot close to our house, etc. We have four different trucks barreling down our alley creating unnecessary wear and tear on our roads. We can do better than this!

Thanks!

Subject: Yes to organized trash collection

Hey, Russ & staff --

Hamline-Midway resident here. I can't make it to the meeting tonight, but wanted to voice my support for organized trash collection.

My main issues are prevention of noise, pollution, clogged alleyways and road destruction. I don't have a strong opinion on how it's organized, but I'm fine with awarding area contracts to different private companies.

Thanks,

Geoffrey Pursell
