Hi All,

Per LHO Marcia Moermond: Closing VB2 file, allowing occupancy once smoke detectors are operable and transferring the Fire Inspection CofO revocation letter from October 20, 2015 to Code Enforcement for follow-up. Ms. Moermond has laid this case over to February 2nd, 2016 due to ownership/property tax issues with Ramsey County - these issues are currently in the litigation process and should be resolved by the February 2nd, 2016 Legislative Hearing.

Dennis, I closed the VB2 file.

Lisa, I've attached the revocation from Oct 15th, please open a code file (owner occupied until property tax issues are resolved) and follow-up on repairs, deadline is Feb 2nd, 2016. Paul Scharf and Kris Kuala are the contacts at Ramsey County. Charnell Hudson, 651 354 5413, is the PO/occupant. Confirm operable smoke detectors in the very near future please. Thanks.

Happy Thanksgiving!
