**Subject:** Re: 565 Arlington

Marcia,

I looked the this and compared it to the stated reason for the variance.

Based on review site distance is the issue. After review we support Steve Ubl's decision. At least in the area requested.

If they pulled the fence back from the corner 15' from each corner to provide sight distance we would be open to that.

If you want to talk further please give me a call.

John Maczko
