Subject: Can Can Wonderland

As a resident in the neighborhood right by the soon to open Can Can Wonderland (only a couple of blocks away) I want to submit my comments on their liquor license application. I have meet with the people that are behind Can Can Wonderland as well as attended a community meeting there last fall/winter. I am very supportive of them and support their application for a liquor license. They will bring a much needed improvement to the area and are trying to stay family oriented. They are not marketing as a bar, but a destination place that happens to serve alcohol.

I urge you to approve Can Can Wonderland for a liquor license.
