Subject: Support for soccer stadium redevelopment

Hi Kady,

Unfortunately I won't be able to make it to tomorrow night's city council meeting, but I wanted to officially submit my support for the stadium redevelopment in St Paul's midway neighborhood.

My wife and I chose to live to the midway in part because of the stadium redevelopment. That kind of revitalization was exciting to us because of the new density and development it would bring to a working class neighborhood in St Paul. I urge the city council to support this project as part of our communities growth and improvement.

Thank you!

Matt
