Dear Councilmember Dan Bostrom,

82 of your constituents have signed the following letter. You can download their signatures and contact information at this secure link: <https://action.momsrising.org/constituents/13080.sHSDwt/>

Dear Councilmember Dan Bostrom,

As you review the earned sick time ordinance tomorrow, please know that I strongly support the ordinance and urge you to pass a strong law that covers all workers. Earned sick time is a win-win for our city's families, businesses, and economy.

For an average family without earned sick time, just 3.5 days of missed work is the equivalent to an entire month of groceries. St. Paul families can't afford to wait any longer for earned sick time!

Thank you for all that you do.

Please contact me at sara@momsrising.org with any questions.

Sincerely,

Sara Alcid
Associate Campaign Director, MomsRising
