Re: May 8, 2016 Event

To Whom It May Concern:

On behalf of the West Side Community Organization (WSCO), the formal Planning Council for the City of Saint Paul's West Side, I would like to offer the organization's support for an application to add a Liquor-Outdoor Service Area to extend liquor service to a new outdoor patio known as "La Placita" by El Burrito Mercado

We are very supportive of this request by one of our long-time small businesses on the West Side and have seen not incidents arising from similar events they have hosted.

Please let me know if West Side Community Organization can be of further assistance.

Sincerely,

Christine Shyne
